ATTORNEYS AT LAW

THE DISABILITY LAWYERS
SINCE 1978

We're the people New York's
Building Trades Workers turn to for
Advice, Guidance and Representation
with On-or-Off the Job Injuries,
Illnesses or Disabilities.

For over 40 years we've been helping injured and disabled workers and their families navigate the maze of laws and regulations that come into play when one has an on-or-off the job accident or disability. We help workers access all of the benefits available to them.

We have been very honored to work with members of Local 282 for many years. We attend your meetings and always stand ready to answer your questions. You are welcome to schedule a free no-obligation consultation with one of our attorneys. In view of the pandemic we are happy to consult with you by phone, or by Zoom, or in an office consultation, available in many of our locations. We provide each client with personalized service and attention. And remember, in cases involving work injuries, vehicular and construction accidents, Social Security Disability, and Veterans Benefits we only get paid if and when we obtain a money award for you. That's a win-win by any standard! Give us a call and learn how we can help you.
