Katelyn Nobre

Dear Local 282,

My name is Katelyn Nobre and I am a recipient of this year's scholarship. I just wanted to write from me and my family to say thank you for this wonderful opportunity. I chose Temple University not only because of their wonderful criminal justice program, but because they are one of the only schools near me that offer a Forensic Science program! My career goal is to study Forensic Science so that I can go into that field as my career. However, my dreams go beyond that. Once I am stable within my career, I want to open up a program to help those who have been wrongfully convicted and use scientific evidence to free the innocent people put behind bars. Through that program I also want to be able to educate children who believe the justice system is broken. I want to educate them on the science behind law and encourage them to join the justice system, so they can fix it using the one indisputable tool... science! My family is so grateful that you have been kind enough to choose me for your scholarship and bring me one step closer to this dream.

Sincerely,

Katelyn Nobre

Dear Mr. Gesualdi
and everyone else involved in the scholarship award,

I am extremely grateful for this award granted to me. It was an overwhelming feeling to hear I was selected for the scholarship and will be able to proceed with my education. It's my dream to study psychology and help many struggling with mental health, And with this scholarship I'm able to be one step closer to that.

Thank you for having this opportunity especially during these hard times. Due to this award I am able to go to a SUNY college and have a higher variety of options to choose from. Financially, college is super stressful and everyone apart of this award has helped me a tremendous amount. Thank you to everyone in The International Brotherhood of Teamsters Local 282!

Sincerely,
Mia Santana

Dear Executive Board of Local 282,

I am so grateful and honored to have been chosen as one of your Local 282 Scholarship Award recipients! This token of generosity will truly be a great help to myself and my family as I pursue my college education at St. John's University.

This is such an exciting opportunity for me because I intend on attending college as a Biology major on a Pre-Veterinary track. From there, I will attend Veterinarian school. Thus, this scholarship is helping me to save money on my undergrad so I can work toward my career. My goals will be fulfilled, and it is thanks to the help I am receiving.

I appreciate that you are still giving out these amazing awards, and still trying to make it special for the recipients, despite the losses Covid-19 has caused. Being a part of the 282 family has been a blessing in many ways, and the Local 282 will always be significant to me because of that.

Many thanks,
Mia Verdon

Dear Mr. Gesualdi
and members of the Executive Board of Local 282,

I would like to thank you for the very generous scholarship you awarded me. It was such an honor to receive this award, and it will be a big help in paying for my education as I seek a DR. of Pharmacy Degree.

Thank You
